

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Summoning images of faded empire silk and ancient courtyard stonework, Summer Palace is an ethereal neutral beige with subtle hints of champagne gold. It is a sophisticated tone, softer than taupe but warmer than greige. This shade brings a quiet elegance to any space, grounding the room in warm light. Decorating with this hue suggests a refined appreciation for history and natural materials, creating a tranquil atmosphere...

Calmness, serenity, warmth, luxury, understated sophistication.
