

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Gremlin is a sophisticated shade of earthy gold. It suggests aged brass or polished antique bronze, providing warmth without being overly bright. This subtle tone anchors a room with quiet elegance and historical depth.

It evokes feelings of comforting maturity, grounded luxury, and timeless stability. Think of sunlit interiors in old world architecture, or the warm patina found on fine furniture. Gremlin is restful yet distinctly luxurious,...
