ABOUT THIS COLOUR

Willow Fern is a gentle muted sage green, an earthy sophisticated neutral. It is not overwhelming and brings a sense of quiet calm to any space it touches. This shade recalls the soft dappled light filtering through mature woodland foliage or aged patina copper. It feels grounding yet refreshing, an anchor that allows bolder accents to pop beautifully.

Tranquility, natural elegance, vintage charm, and settled peace. It evokes a sense of pastoral serenity, making rooms feel restful and timelessly chic.
