This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Shadowed Bark is a sophisticated and grounding shade, a deep neutral inspired by ancient, weathered wood. It possesses the complexity of smoke mingled with damp earth. When applied to walls, it creates an immediate sense of quiet enclosure and permanence. This color does not dominate but rather wraps the room in a comforting embrace. It feels reliable, stately, and subtly organic. Choosing Shadowed Bark...
