

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A muted, sophisticated green with underlying warm grey tones. Oak Leaf captures the gentle richness of fresh spring growth and mature woodland foliage. It is an incredibly versatile shade that offers depth without being overpowering. When used indoors, it wraps a room in a feeling of serene enclosure, reminiscent of a sheltered natural space.

Tranquility, groundedness, natural elegance, restful calm, and quiet sophistication. It evokes the peaceful pause found at the edge of a sun dappled forest.
