

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This gentle, muted tone is an ethereal blend of soft grey and pale green, reminiscent of sunlight catching dust motes in a quiet forest. Sage Splash whispers calm sophistication, perfect for creating a restful backdrop. It pairs beautifully with both warm woods and crisp whites, offering subtle depth without overpowering the space. We suggest it for bedrooms, hallways, or dining rooms where tranquility is desired.

It evokes feelings of serenity, quiet elegance, and natural calm. It is grounding yet airy, making any room feel like a peaceful sanctuary.
