

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

More Melon is a soft, gentle neutral shade, reminiscent of sunlight filtered through cream colored fabric. It has subtle warm undertones and an airy quality. This hue brings an immediate sense of calm and serenity to any space it touches.

The colour invokes feelings of quiet sophistication, restful ease, and natural warmth. It is an understated shade that allows both furnishings and artwork to take center stage, creating a sophisticated gallery feel....
