

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This gentle ochre tone, Awareness, is reminiscent of aged parchment and sunbleached linen. It carries an immediate sense of calm warmth and muted sophistication. We recommend it for creating a serene backdrop in living spaces or bedrooms, letting natural light enhance its subtle complexity. Choosing this shade introduces a soft brightness without ever feeling overpowering, giving rooms a gently luminous glow.

Tranquility, understated elegance, natural peace, gentle illumination.
