#### ABOUT THIS COLOUR

This delicate shade, which we call Floral Bouquet, evokes the gentle warmth and refined cheer of late spring garden blooms. It is a softly sophisticated yellow green, reminiscent of clustered wildflowers or fresh pressed botanical arrangements. Applying this colour brings an immediate sense of calm and natural light into any room, creating a space that feels both airy and grounded. It pairs beautifully with deep wood tones...

*Calmness, natural elegance, spring renewal, gentle warmth, sophisticated cheerfulness.*
