This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This subtle green undertone evokes the gentle peace of early spring morning light. It is sophisticated yet airy, painting a sense of calm without feeling sterile. Uplifting suggests natural tranquility and fresh beginnings. Using it in a space helps diffuse any visual weight, making rooms feel expansive and bright. It is perfect for those who want an ambient wash of colour that nurtures both the spirit and the eye.
