This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

### ABOUT THIS COLOUR

Castle Stone is a deeply muted and sophisticated shade. It holds the subtle richness of natural stone mixed with forest canopy tones, giving it an earthy depth without being heavy. It reads beautifully in both bright daylight and soft evening light, offering a grounding presence that feels timeless and enveloping.

*This color evokes feelings of quiet permanence and secure elegance. It whispers of rustic luxury, reminiscent of historic manor halls or deep woodland retreats. It promotes tranquility, stability, and a sense ...*
