This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Dreamcatcher is a soft, pale sage green with whisper hints of warm gray. It reminds one of moss found in early spring or sunlight filtered through delicate foliage. Choosing this shade brings an immediate sense of calm and effortless elegance to any space. It works beautifully as a neutral accent colour, allowing artwork or furniture to take centre stage while wrapping the room in soothing natural light. Decorating with...

Calmness, serenity, renewal, peacefulness, gentle sophistication.
