This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This gentle shade, Peppermint Tea, is an incredibly soothing and light natural green. It has a delicate hint of grey and blue woven through it, giving it an air of soft sophistication. Think of the color on fresh bedding or dappled sunlight filtering through spring leaves. It is serene, barely demanding attention yet perfectly brightening any space without being overwhelming.

Peppermint Tea evokes feelings of calm, renewal, and gentle comfort. It suggests a restful retreat, a quiet morning, and the freshness of early springtime. When used in décor, it helps to create a sanctuary feeling,...
