

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Tidal Foam is a delicate and airy shade that mimics the gentle crests of sea foam at low tide. It possesses a subtle green cast softened by greige undertones, creating a truly sophisticated neutral. This serene colour feels inherently calming, evoking thoughts of coastal mornings and untouched natural beauty. It brightens a room without being harsh, wrapping space in an embrace of quiet tranquility and understated elegance.

Calmness, serenity, lightness, sophistication, nature inspired peace.
