

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Black Spruce is a deep forest green, reminiscent of evergreen foliage in late autumn. It carries a sophisticated depth, not quite black but profoundly muted and grounded. This shade evokes feelings of quiet enclosure, like the shelter offered by ancient woods. It brings stability and a sense of natural gravitas to any space. Think cool misty mornings and the enduring calm of deep forest trails. Using Black Spruce creates a...
