This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Salinity is a whisper of cool tones, like soft sunlight catching mist over calm water. It possesses an ethereal quality, blending pale aqua notes with delicate greys and whispers of sea foam. This serene shade does not demand attention but instead acts as a gentle backdrop, wrapping a room in quiet comfort.

It invokes immediate tranquility and spaciousness. Salinity suggests the feeling of opening up to wide open spaces, promoting restful calm without being cold. It is uplifting yet deeply soothing, perfect for creating...
