This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Thunder Bay is a calming, muted grey green. It has subtle undertones of cool blue and soft sage, making it versatile for any room. This shade evokes feelings of tranquility, stability, and restful natural retreat. It provides a sophisticated backdrop that allows artwork or furnishings to truly pop without competing with them. Think of the gentle light on a coastal landscape early in the morning.
