

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cave Pearl is a remarkably soft and serene shade, evoking the pale glow of oyster shells found in deep waters. It possesses an understated complexity, leaning into cool neutrals with just enough grey and blue undertone to prevent it from feeling washed out. Applying it brings an immediate sense of tranquility to any space.

It feels restorative and airy, promoting a calming environment suitable for bedrooms or reading nooks. The hue suggests quiet sophistication, allowing natural light to reflect softly without overpowering the room's...
