

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Play The Blues is an elegant midtone grey blue, reminiscent of cool river stones or clear twilight skies. It is a sophisticated shade that provides depth without feeling heavy. This muted grey base allows it to work beautifully in various settings, adding a calm and restorative quality to any space. Think of the perfect transition between deep slate and soft sage green.

The colour evokes tranquility, serenity, and quiet confidence. It suggests a restful retreat, an atmosphere conducive to contemplation and gentle living. It is reliable and soothing, bringing a sense of calm stability t...
