This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Julep Green is a remarkably gentle shade, evoking the delicate tranquility of early spring growth and fresh washed sage leaves. It possesses an airy quality, suggesting natural light filtering through stained glass. When applied to a room, it acts as a soothing backdrop, promoting calm without feeling overly dark or stark. It pairs beautifully with both warm creams and crisp whites, creating a harmonious and subtly sophisticate...

Calmness, serenity, natural balance, gentle renewal, peacefulness.
