This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Imagine twilight on calm water, a shade that whispers of tranquility and sophistication. Evening Swim is a muted blend of slate and sea green, evoking the moment when the sky transitions into dusk. It has enough depth to feel dramatic but remains soft enough to wrap your room in comforting serenity.

It feels restorative and peaceful, like stepping into a secluded, atmospheric lagoon at the end of a long day. Choosing this colour promotes calm reflection, creating an enveloping space that is both serene and subtly...
