

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Colonial Aqua is a sophisticated pale blue green, reminiscent of sea glass on a temperate coast. It offers a calming depth without sacrificing lighthearted elegance. This shade works beautifully to create an atmosphere that feels both fresh and timeless, much like the gentle hues found in historic colonial architecture.

It evokes feelings of tranquility, airy spaciousness, and peaceful retreat. Imagine sipping tea on a veranda overlooking calm waters; Colonial Aqua captures that serene moment perfectly.
