This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cathedral Glass is a sophisticated muted blue grey shade. It evokes the quiet grandeur and cool serenity found in historic architecture. Think of diffused natural light passing through aged stained glass, lending an air of calm permanence to any room. This tone is versatile, offering depth without being dramatic. It suggests tranquility, stability, and timeless elegance, making it ideal for creating restful and refined living spaces.

Calmness, serenity, sophistication, history, peace.
