

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

A sophisticated blend of seafoam green and gentle slate blue, Acapulco Cliffs evokes the serene beauty of a coastal horizon. It is calming, yet deep enough to add dimension without dominating a space. Picture yourself standing on cliffs overlooking calm tropical waters at dusk; this shade captures that restful palette. It suggests tranquility, natural elegance, and the quiet comfort of an escape.

Serenity, Calmness, Natural Escape, Sophistication
