

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Granite Falls is a sophisticated and grounding shade, best described as a deep slate blue mixed with cool grey tones. It has the subtle depth of weathered stone, suggesting permanence and calm strength. This colour evokes the feeling of a quiet mountain retreat or an early morning fog settling over water. It promotes tranquility and stability, creating a serene backdrop that allows other natural elements in a room to truly...
