

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Artemesia is a gentle muted grey subtle enough to provide sophistication and calm without being dominating. It suggests soft natural light diffusing through delicate curtains or an overcast sky on a peaceful day. This shade brings a feeling of serene retreat, evoking quiet contemplation and restful elegance. It works beautifully to neutralize strong furniture tones, allowing the focus to remain on texture and art.

Calmness, serenity, sophistication, timelessness, tranquility
