

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Sailor's Coat is a deep calming blue gray. It is sophisticated and universally appealing, offering depth without being overwhelming. This shade pulls on undertones of slate and midnight but remains light enough to reflect natural illumination beautifully. It speaks of classic maritime elegance and weathered wood. When applied indoors, it creates a backdrop that promotes tranquility and restful concentration.

The colour evokes feelings of dependable stability, serene comfort, and timeless refinement. It suggests the reliable rhythm of the tides, promoting a sense of calm authority in a space. Using Sailor's Coat allows a...
