This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This calming aqua takes your eye to a serene stretch of sky over fresh grass. Field Puddle is reminiscent of cool water settled in a meadow after a light rain, a peaceful moment captured for walls. It whispers of gentle breezes and open horizons. This shade brings tranquility and natural ease into any room. Its muted depth is subtle enough to act as a sophisticated backdrop while still offering a bright pop of restful colour.

Tranquility, serenity, freshness, calm, airy.
