

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Cold Iron is a sophisticated shade of muted blue gray, reminiscent of damp slate or polished steel. It possesses an inherent coolness without appearing stark. This subtle depth provides a grounding anchor to any room's design, offering calm and refined elegance.

It evokes feelings of serene tranquility, intellectual clarity, and understated luxury. Cold Iron suggests quiet moments of contemplation, like watching the shifting light over a quiet harbor at dawn. It is calming, restful,...
