

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Imagine the cool clarity of an Arctic sky at dusk, mixed with the steady depth of a peaceful fjord. Alaskan Blue is a sophisticated, muted periwinkle that whispers calm and serenity across any space. It possesses a subtle grey undertone, preventing it from feeling too vibrant or childish, allowing it to function beautifully as a backdrop for both modern furnishings and classic decor. This restful shade encourages introspection and...

Tranquility, calm, sophistication, openness, gentle nostalgia.
