This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Northern Exposure is a delicate midtone grey leaning toward periwinkle and slate blue. It possesses a cool sophistication, capturing the soft luminescence of an overcast sky near dawn or dusk. This colour feels expansive, bringing a quiet clarity to any space it touches. It offers an airy neutral backdrop that pairs beautifully with both warm woods and crisp whites, giving rooms a feeling of calm structure without being...

Tranquility, serenity, clarity, cool sophistication, restfulness, airy calm.
