This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Innuendo is a soft slate blue with hints of lavender. It possesses an airy quality, like twilight settling over distant hills. This shade evokes a feeling of gentle nostalgia and quiet contemplation, suggesting comfortable elegance without being dramatic. It brings the calming presence of a deep breath and the subtle comfort of aged linen.

Calmness, serenity, introspection, understated sophistication.
