

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

### ABOUT THIS COLOUR

Stained Glass is a complex and sophisticated tone. It sits between grey and blue with an undeniable hint of lavender. It has depth and richness, evoking the cool light filtering through cathedral windows at dusk. This colour feels contemplative and grounding. Choosing Stained Glass will lend immediate architectural interest to a space, offering a perfect balance between modernity and timeless elegance.

*Calm, restful, sophisticated, historic, dreamy*
