This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Prairie Moon is a gentle whisper of cool grey and creamy white, an ethereal hue suggestive of dawn breaking under an open sky at dusk.

It evokes tranquility and subtle elegance. Like watching the soft light transition in the early hours, it promotes calmness, breathing space, and refined peace within any room it graces. It is sophisticated without being...
