This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Bramble Patch is a deep complex shade, a sophisticated mix of cool greys and dusty violets. It settles like twilight velvet, offering depth without overwhelming the space. This muted tone evokes feelings of calm introspection and quiet drama. It feels grounded yet elegant, suggesting a comfortable enclosure perfect for restful living areas or sophisticated studies. It whispers of old libraries and shadowed corners.
