

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

## ABOUT THIS COLOUR

Silverberry is a sophisticated and gentle greige, a muted blush tone with cool gray undertones. It possesses an understated elegance, like dawn breaking on a misty moor. This color evokes tranquility and subtle refinement. Imagine the calming effect of natural light filtering into a peaceful space, or the softness found in delicate silk. It is versatile enough to feel comforting and airy at the same time. Using Silverberry creates a...
