

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Distant Galaxy is a sophisticated dusky mauve with notes of slate and lavender. It is an evocative shade that does not overpower but instead wraps a space in quiet luxury. Thinking of the deep velvety tones found far away among nebulae, it provides grounding depth while maintaining an airy quality. This colour suggests mystery, calm contemplation, and timeless elegance. Use it to create intimate corners or as a sophisticated...
