This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Brique is a warm reddish terracotta. It has an earthy quality, reminiscent of sun baked clay or aged brickwork. This shade evokes feelings of comfort, warmth, and rustic elegance. It grounds a room, giving it a cozy embrace while still providing a vibrant focal point. Think Mediterranean sunsets, harvest festivals, or the comforting palette of old Venetian walls. Choosing Brique brings an approachable depth, making any...
