

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Freckles is a warm blush terracotta shade, reminiscent of sun dried clay and delicate coral. It offers an earthy yet romantic quality, perfect for adding depth without overpowering a room. This subtle hue brings to mind Mediterranean coastal breezes and faded antique textiles. It pairs beautifully with both crisp whites for a fresh look or deep greens and navies for dramatic contrast, giving your space character and warmth.

Freckles evokes feelings of gentle warmth, nostalgic comfort, and relaxed elegance. It is the perfect shade to create a sanctuary that feels grounded yet uplifting, suggesting vacation memories and slow living.
