This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This warm and inviting shade evokes the perfect moment when day transitions to evening. Summer Sunset is the gentle blush of sky meeting earth, a hue captured just as the sun dips below the horizon line. It feels comforting, sophisticated, and deeply nostalgic. We suggest it brings an atmosphere of effortless warmth and calm radiance to any space.

Warmth, comfort, tranquility, nostalgia, romance, and natural ease.
