

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Brown Clay is a warm earthy shade, reminiscent of sunbaked pottery and natural riverbanks. It possesses a grounding warmth, making it sophisticated yet comforting. This tone works beautifully to anchor a space, providing depth without ever feeling dark or oppressive. It evokes feelings of nostalgia, stability, and organic calm, drawing inspiration from traditional Mediterranean pigments and the simple beauty of the earth itself.

Warmth, Stability, Calmness, Earthiness, Nostalgia
