This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Mincemeat is a wonderfully earthy and warm neutral. It possesses the depth of rich clay blended with the soft glow of sunbaked terracotta. This shade anchors a room with a sense of comforting permanence, giving both rustic charm and modern sophistication simultaneously.

It evokes feelings of warmth, grounded relaxation, and natural embrace. Think of a cozy cabin retreat or the last golden light before sunset; it is undeniably soothing and highly versatile for creating a welcoming...
