This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

This warm earthy tone, Pumpkin Patch, is reminiscent of crisp autumn afternoons and harvest time bounty. It holds a comforting balance between deep terracotta and mellow gold, creating an instant sense of nostalgic warmth. Choosing this shade can draw out the natural richness in wood furniture or complement cool grey tones on surrounding walls for a truly grounded yet inviting space. It brings with it feelings of cozy...
