

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Fuzzy Navel is a bright and cheerful shade of golden yellow. It captures the immediate warmth of sunshine spilling across an afternoon patio or the sweet zest of tropical fruit. This buttery hue is inherently optimistic, radiating energy without being jarring. Use it to inject pure joy into a space, perfect for kitchens or living areas where you want a consistently uplifting atmosphere. It feels playful and inviting, like a comforting hug...

Joy, warmth, cheerfulness, playfulness, optimism.
