

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Brass Mesh is a warm ochre tone, reminiscent of antique metalwork and sun baked terracotta. It offers an immediate sense of refined warmth, acting as both a grounding neutral and a confident accent colour. When applied to a space, it evokes feelings of enduring luxury, comfortable history, and understated opulence. Think of the golden glow of late afternoon sunlight or the subtle gleam of aged brass fixtures; these...
