ABOUT THIS COLOUR

Primrose Meadow is a delicate and warm shade of yellow green, reminiscent of early spring blooms opening in soft light. It possesses an airy lightness that avoids being overly saccharine. This subtle hue captures the gentle glow found in meadows just after rain, suggesting natural renewal and tranquil beauty.

The feeling it invokes is one of calm optimism, warmth, and gentle awakening. It suggests sunlit comfort and a refreshing start, making any space feel uplifting yet restful. It is nurturing without being intense, perfect f...
