

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Argonaut is a delicate, soft cream with subtle yellow and beige undertones. It possesses an understated sophistication, evoking a feeling of calm warmth and gentle light. This shade reminds one of sunlight filtered through linen or antique parchment. Using Argonaut brings immediate tranquility to a space, creating an atmosphere that feels airy, timeless, and welcoming.
