

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Pollination is a rich, mellow shade, embodying the warmth of late afternoon sunshine filtering through aged brass or olive silk. It carries the subtle undertones of honey blended with forest dust and gentle gold leaf, giving it an undeniable sense of vintage sophistication. This colour suggests curated comfort, elevating a room from merely painted to thoughtfully designed.

It evokes feelings of timeless luxury, nostalgic warmth, and grounded elegance. It is the perfect balance of assertive depth and soothing glow, making spaces feel both grand and deeply intimate.
