This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Lime Splash is an ethereal shade, reminiscent of fresh spring growth after a light rain. It is not harsh nor dull, offering a muted yet vibrant presence that catches the light gently. This subtle greenish yellow hue brings immediate airiness to any space.

It evokes feelings of calm optimism and natural awakening. Imagine standing in a verdant garden early in the morning, or catching the warm glow of sunlight filtered through new leaves. Lime Splash suggests renewal...
