

Bioluminous
PPG1220-6

Scan to view

This is a guide to help you visualise the colour and is not an exact representation. The final result may vary depending on your room's lighting, wall texture, the finish you choose, and your screen's colour settings.

ABOUT THIS COLOUR

Bioluminous is an ethereal pale olive green, a shade reminiscent of soft, glowing sea glass or new spring shoots. It possesses a gentle warmth that reflects natural light beautifully. Applying Bioluminous to a room creates a tranquil and revitalizing atmosphere. It suggests understated sophistication, providing a calming backdrop without ever feeling dull. This colour promotes feelings of peaceful renewal, deep serenity, and...

Tranquility, Serenity, Renewal, Calm, Understated Elegance
